

THE RETURN OF THE
Piccadilly
Haunt

October 29th: 1:00PM - 5:00PM
October 31st: 1:00PM - 5:00PM

You read it right, there's going to be a Haunted House in a mall near you, for **TWO DAYS ONLY!**

The Piccadilly Haunt is back, and is bringing some tricks, treats, chills, and maybe a few screams. Walk through our creepy trail of shrieks and cackles, and earn some treats for your bravery! If you've also got a great costume, you could also win an extra treat in your goodie bag: a mall gift certificate! So remember to dress up, we'd love to see your costume!

There is no age restriction, but it may be too scary for very young children (less than five years old). All children are different though, and parents and guardians are encouraged to use their best judgement. Everyone is welcome!

See you there!
